Bigger is not always better! We are authorized dealers for Eastern Boats, K2 Boats, Sea Pro, Rosborough Boats, TwinVee, and Sea Ark. We are a Honda, Suzuki, Yamaha, Nissan and Tohatsu Motors sales and service center. We are dedicated to serving our customers the old fashioned way: with hard work, honest pricing, and courteous, professional, and personal service after the sale. Wefing's Marine offers the details of this and all vessels on this website in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice. 1996 Pro-Line 2950 Pro-line2016 Pro-Line 29 Grand Sport1997 Pro-Line 2950 Pro-line1990 Pro-Line Walkaround 280 Pro-Line is a boat builder in the marine industry that offers boats for sale in differing sizes on Boat Trader, with the smallest current boat listed at 17 feet in length, to the longest vessel measuring in at 35 feet, and an average length of 24.4 feet. Boat Trader currently has 91 Pro-Line boats for sale, including 1 new vessels and 90 used boats listed by both individuals and professional yacht brokers and boat dealerships mainly in United States. The oldest model listed is a late classic boat built in 1986 and the newest model year was built in 2019. How much do Pro-Line boats cost? Pro-Line boats for sale on Boat Trader are available for an assortment of prices, valued from \$10,468 on the cheaper end all the way up to \$142,949 for the most advanced boats. Higher performance models now listed are rigged with motors up to 698 horsepower, while the smallest more functional models may have as low as 18 horsepower engines (although the average engine size is 250 HP). What kind of boats does Pro-Line build? Of the boats listed, Pro-Line offers familiar boat hull types and designs including modified vee, deep vee and other. These vessels are commonly favored for popular boating endeavors such as day cruising, saltwater fishing, freshwater fishing and overnight cruising. The boats available here currently from this builder come with outboard, outboard-4S, inboard/outboard, outboard-2S and inboard propulsion systems, available in gas, diesel, electric and other fuel systems. Why are Pro-Line boats popular? Pro-Line is popular for their Center Console, Walkaround, Cuddy Cabin, Express Cruiser and Saltwater Fishing among other classes and models. Overall these available boats have a moderate draft and average beam, qualities that make them perfect for day cruising, saltwater fishing, freshwater fishing and overnight cruising. Given their classic, crowd-pleasing status as a popular, established boat brand, used Pro-Line boats in good condition often make practical candidates for boat repowering projects. What is the best Pro-Line model? Some of the best-known Pro-Line models right now include: 23 Sport, 22 Sport, 25 Wa, 251 Wa and 2950 Pro-line.
